- PPO network (offered nationwide)

➤ HMO Options for State of Illinois Residents

How does the Medicare Advantage PPO work?

➤ UnitedHealthcare PPO

- Customer Service Phone Number: (888) 223-1092
- You can seek care with any licensed medical professional that accepts Medicare, anywhere in the United States
- There is an annual plan year **deductible** – this is the amount you pay at the beginning of the plan year before the plan pays its share
- After the deductible, you and the plan share in the cost – this is called **coinsurance**
- There is no coinsurance for preventive services and health screenings

How does the Medicare Advantage HMO work?

➤ HMO OPTIONS

- Coventry Advantra: (855) 223-4807
 - Health Alliance MAPD: (877) 795-6131
 - Humana: (800) 951-0125
-
- HMOs are available only within the State of Illinois
 - You must choose a primary care physician (PCP) from providers in the HMO network; you must get referrals from your PCP
 - You must use network providers, except for emergencies
 - The plans have provider directories at their tables; you can also call the HMO for assistance locating a physician and/or provider
 - HMO plans have **copayments** - copayments are set amounts due at the time of service
 - There is no copayment for preventive services and health screenings

How do I decide which plan?

Things to Consider...

HMO	PPO
Your doctor is in the network	You prefer flexibility to see any Medicare provider and not stay in a network
You prefer set copayments instead of deductibles and coinsurance	You travel a lot outside Illinois, or you are a 'snowbird'
You rarely travel outside the HMO service area	You have medical conditions in which you need the ability to see any Medicare provider without the constraints of a network

**THIS IS YOUR DECISION BASED ON YOUR
AND YOUR FAMILY'S NEEDS**

What's the Advantage in Medicare Advantage?

➤ MAPD Plans

- Provide additional benefits not covered under Original Medicare
 - Disease management programs
 - Case management
 - Wellness programs
 - Hearing, vision and prescription discounts
 - Health fitness discounts (SilverSneakers®) – all plans include a SilverSneakers membership at no charge

➤ One ID Card

- Health plan will process claims
- No separate prescription drug card

More Stuff that's Good to Know

More Stuff that's Good to Know!

The federal government controls Medicare

If you enroll in another Medicare Advantage or Medicare Part D Plan, you will lose your State of Illinois coverage

You **MUST** continue to pay your Medicare premiums to be eligible for TRAIL

If you move outside the HMO service area, you must contact your retirement system and choose a new plan

If you pay more than \$104.90 for your Part B premium, you most likely will receive a bill from Social Security for your Part D prescription coverage (IRMAA)
